

Musgamagw Dzawada'enuxw Fisheries Group

2018 CALL FOR PROPOSALS FOR COMMERCIAL FISHING LICENCE

The Musgamagw Dzawada'enuxw Fisheries Group is currently accepting proposals for lease of the following commercial assets:

-) 12 Commercial Roe Herring Gillnet
-) 3 ZN inside licenses (MVL 10.49, 7.39, 4.82)
-) Lingcod Quota 12,431 lbs approx. (.5009792 % TAC)

Proposals must be submitted to the attention of Dawn Nicolson, Fisheries Manager
By email to: nicolson.dawn@shaw.ca

Additional attention may be afforded for the inclusion of any one or a combination of the following value added prospects in any given proposal:

- At sea experience or work opportunity for MDFG affiliate First Nation members;
- Certification of skipper and or crew (Please indicate specific certification within submission of proposal)
- Demonstrated sustainable fisheries practices, i.e. This Fish, or other methods of demonstrated sustainability practices, etc.
- Market competitive bids from qualified Commercial Aboriginal Fisheries Enterprises are welcome and encouraged;
- Other value added considerations may be presented for consideration.

General Terms:

- i. If the person submitting the proposal is not the intended skipper for the fishing of licence/s or quota/s, the skipper must be identified in the proposal
- ii. Lack of value added prospects in any proposal may not be a delimiting factor for final decision
- iii. MDFG reserves the right to negotiate an agreement with any person who submits a proposal even if a proposal does not meet the criteria in this request for proposals
- iv. MDFG reserves the right to not negotiate an agreement with any and all persons who submit a proposal, and to seek other proposals, either through a further posting or through a sole-sourced initiative of the MDFG
