
Are you thinking about opening, or have a small business?

MDTC was successful in receiving some funding through the Indigenous Community Business Fund. If you have a business Idea that needs some support getting started or already have a business and may need some help with a small mircro grant, please submit your letter of interest no later than ***March 20, 2022***. Letter of interest must include the following:

Name of Business

Small Business Plan

Financials

And the support you are looking for and how it will be spent.

Should you require additional information, you can connect with Jodi Boyd, General Manager, at executive.director@mdtc.ca or call the office at 250-914-3402

Submit your Letter of interest and supporting documentation by March 20, 2022 to
